GDPR regulation 2018 puts in place certain safeguards regarding the use of personal data by organisations. Acorns Nursery School Ltd. is registered with the ICO and we collect and hold personal information relating to our parents and children and may also receive information about them form their previous setting, local authority and or the DfE. We use this to: support our children's learning, monitor and report on their progress, provide appropriate care, assess the quality of our services, assess eligibility for funded places

This information will include contact details, attendance information, any exclusion information, where they go after they leave us, any special needs they may have and any relevant medical or safeguarding information. For further information including storage and retention of data please refer to our privacy policy which is available from the nursery manager.
