

## How to leave a review on Facebook

We love to hear your feedback as it helps us to continue to improve the Nursery going forwards and to recognise our fantastic staff team.

To leave a review on the Acorns Facebook page, simply follow these 4 steps:

1. Go to our Facebook page.

<https://www.facebook.com/acornsnurseryschool/>

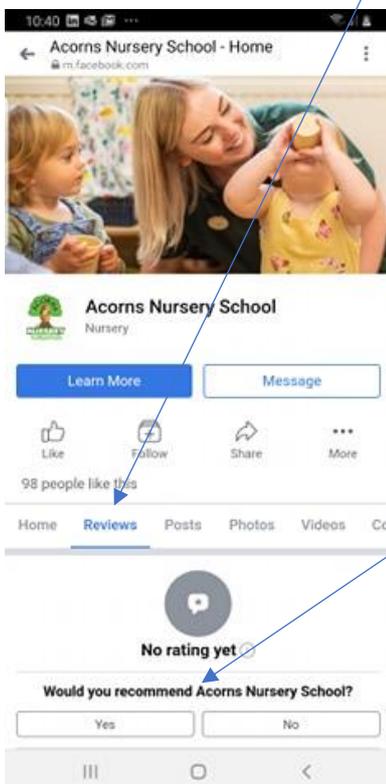

2. At the left-hand side of the screen, on the side menu, click "Reviews."

Or you can use this link:

<https://www.facebook.com/pg/acornsnurseryschool/reviews/>

3. To the right of that menu, you'll see a box asking if you would recommend Acorns Nursery. If you want to leave a review, click "Yes."
4. Write your review as you would normally, then use the little tags provided at the bottom, if you'd like to provide quick, clear information.
